

## Total Quality Management: Strategies and Techniques Proven at Today's Most Successful Companies (Hardback)

By Stephen George, Arnold Weimerskirch

John Wiley & Sons Inc, United States, 1998. Hardback. Condition: New. 2nd Edition. Language: English. Brand new Book. To understand and profit from Total Quality Management, companies must pay particular attention to the first word in the phrase-total. The spectacular rewards enjoyed by top companies like 3M, FedEx, and Ben & Jerry's were earned through a total commitment to achieving superior quality and customer satisfaction across all company functions and processes. Total Quality Management, Second Edition gives you a completely up-to-date look at how 51 of the world's most successful companies put the total into TQM. Each of these companies, including 13 new additions and 23 Baldrige Award winners, is cited as a benchmark performer in a particular business function. Their examples help you set your sights on specific goals and learn a variety of ways to go about achieving each goal. Each chapter features the best practices of one manufacturing company, one service company, and one small business. Following the examples set by these overachievers, you'll discover how to: Lead the transition from traditional management to management by quality Identify customer needs and use that knowledge to drive the organization Integrate strategic quality and business planning into a single strategic...
